

CAUSE FOR CELEBRATION

A New Name

Some nonprofits change the world simply by being in it –
We have been doing that for older adults for 30 years.

Moving gently through lives - listening, caring and understanding those they serve knowing what is needed and planning ahead. Making a difference for older adults in our community...

You are the reason East Valley Senior Services is celebrating
Cause you are the force that changed our name to... *East Valley Adult Resources*

You are the foundation for our old but new mission
Cause you made us admit to what we do: *Connect, Contribute and Care for Each Other*

Let's Celebrate our new name...

EAST VALLEY
ADULT RESOURCES

Why the name change?

We want the community to know we are not only about what happens in the three Active Adult Centers

We are about offering opportunities to **Connect...** to innovative programs and services
Contribute... share your talents – feel alive. **Care...** for each other – stay involved
– know tomorrow holds so many opportunities – you don't want to miss out.

This Fall join us at an Active Adult Center for our upcoming 30th Celebration event

Save The Dates:

September 8th – Apache Junction Active Adult Center

October 7th – Mesa Active Adult Center

November 10th – Red Mountain Active Adult Center

Cause together we are the reason to **CELEBRATE.**
