

22ND Annual Holiday Campaign

Nourishing Our Greatest Generation

This Holiday Meal Campaign is an opportunity for us to show these older adults they are not alone and we have not forgotten the sacrifices they have made for us.

- Older adults in this decade have rightly been called the “*Greatest Generation*”. Raised during the Great Depression, they defended our freedom, and helped secure our future.
- Some of those in the “*Greatest Generation*” need your help.
IMAGINE... Not having money to buy or the ability to prepare a special Holiday meal.
IMAGINE... Not having family or friends close during the Holiday season.
IMAGINE... Helping low-income, older adults this Holiday Season.
